Modern Slavery
Risk Model

OUR SCOPE

Ensure compliance with Modern Slavery Act in accordance with the Company Group Compliance Framework.

Understand the Company's exposure to modern slavery risk and remediate and eliminate that risk.

Provide a risk assessment model to manage modern slavery risk going forward.

Execute initial and follow up reviews to ensure Modern Slavery can be fully integrated in their global procurement practices, staff/ employee training sessions and other global ESG initiatives.

Our Top 3 tips for organisations wanting to develop a Modern Slavery Risk Assessment.

- Understand your exposure to modern slavery risk at multiple levels.
- Understand your compliance and regulatory requirements.
- Provide clear policy procedures and processes for your business, supported by communications and education activities for staff and suppliers.

Talk to us today about how we can help you deliver your organisation's Modern Slavery Risk Assessment.
